

Utility Refund Company Introduction

- Utility Rebate Company Overview
- What It Is / What It Isn't
- How Can You Benefit

Company / Results Overview

- 20+ years and 18,000+ successful audits
- 200+ Sales Team Across 33 States / 5 Full Time Auditors
- Over \$110M+ in recovered refunds.
- Provides utility bill audits for businesses nationwide to identify billing errors and overcharges and **get them corrected – receiving refunds for past overcharges as well as forward looking bill correction.**
- Depending on the industry and state, utilities audited include:
 - Electricity
 - Natural Gas
 - Water
 - Phone
 - Internet
- Requires only one month of bills to begin.
- Initial analysis results within 24 hours.
- No upfront fees; payment only after confirmed refunds.

What Our Process Isn't / What Our Process Is

What It *ISN'T*

- A Rate Renegotiation
- A Utility Supplier Change
- A Solar Push
- A Request To Invest in Capital, Hardware, Software, or Systems

What It *Is*

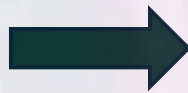

- A Utility Bill Audit Performed By Trained Auditors.
- An Opportunity To Recover Overpaid Surcharges, Fees, and Pass Throughs With A Retroactive Time Period of 36 – 48 Months.
- An Opportunity To Correct Utility Bills Going Forward.

What Is Required: The Last Month's Utility Bills. The UR Company Does Everything Else.

How Can You Benefit?

- Risk-Free utility bill audit completed – based on guidelines for each state.
- Using errors and overpayments identified, a refund is calculated and requested from each utility company – based on retroactivity allowed for each state.
- Bills are corrected going forward – leading to additional savings.
